# GRANIT

# GRANIT

Breathable decorative coating for interiors and exteriors, based on acrylic resins and natural sands coated with pigments highly resistant to sunlight and weather. It allows to obtain surfaces with a matte and uniform appearance characterized by a delicate dotting. The opacity, the high mechanical resistance, the low dirt grip, make Granit the ideal solution for the decoration of homes, public environments (shops, offices, hotels, stairs and entrances) and prestigious exteriors.

- Quick and easy application
- Odourless
- Environment friendly with low VOC
- Highly customizable with respect to colours and effects
- Compatible with all paintable substrates
- Does not supports fragmented repair
- Adaptable in all concepts, classical, modern or fusion.
